

ELECTRICAL SAFETY RECALL

NZXT H1 Computer Cases fitted with PCIe Riser Assembly

IDENTIFICATION: Model numbers CA-H16WR-W1 (matte white) and CA-H16WR-B1 (matte black)

SERIAL NUMBER RANGE:

1200233400001 to 1203962204202
00648999610844189725 to 00648999610844206361
0120AC00100001 to 01211C01900285

The computer cases have a black tempered glass front with the NZXT brand name at the bottom. The model number and serial number are located on the bottom of the case.

Sold online and at gaming computer stores from 1 February 2020 to 16 February 2021.

DEFECT: Due to the circuit board's design, the metal screws that attach the PCIe riser assembly to the frame can cause a short in the printed circuit board and this may overheat and catch fire.

HAZARD: If the circuit board overheats and catches on fire there is a risk of serious injury or death.

ACTION REQUIRED:

Consumers should immediately disconnect and stop using the computer cases and contact NZXT Australia. NZXT Australia will either arrange for replacement or repair of the product.

CONTACT DETAILS: For further information, please contact NZXT Australia Pty Ltd by phone on 1800 413 611 or via email at support_au@nzxt.com.
