

# Product Safety Recall

## KONG CAT LASER

The product is available from Pet Circle  
between 26 July 2018 to 2 August 2021

**Defect:** The product's button battery compartment is not adequately secured, and the button batteries are accessible.

**Hazard:** If young children gain access to the button batteries and ingest them, they are likely to suffer severe internal burn injuries, which can result in serious illness or death. Button batteries also pose a choking hazard to young children.

**What to do:** Consumers will be contacted by Pet Circle to arrange for a credit/refund.

If the product has already been disposed of, consumers are asked to notify Pet Circle to ensure safe disposal of the products can be monitored.

**Contact details:** For further information, contact Pet Circle at [sales@petcircle.com.au](mailto:sales@petcircle.com.au)

**See [productsafety.gov.au](http://productsafety.gov.au) for  
Australian product recall information**
