

Product Safety Recall

Auger Mount

Manufactured by Real Engineering and sold by Brian James Trailers between 1 June 2020 and 31 August 2020

Defect: The product's joints may not have been welded properly and may fail.

Hazard: If the welding fails, the auger mount and attached auger will fall, increasing the risk of serious injury. If the welding fails while the trailer is in motion, this may cause an accident resulting in serious injury or death.

What to do: Consumers should immediately stop using product and return to the place of purchase for full replacement.

Contact Details: For further information or assistance please contact Real Engineering on 0435 087 695 or admin@realengineering.com.au
