

Product Safety Recall

Roller Blinds with cord/bead chains
installed by Visionary Blinds

Defect: The blinds do not comply with the [mandatory safety standard for the installation of corded internal window coverings](#).

Hazard: If the blinds are installed incorrectly the cord/bead chains can create a strangulation hazard to children.

What to do: Consumers should contact Visionary Blinds to make arrangements for either:

- a) Copies of the correct warning and installation labels to be sent to them for attachment to the blinds, or
- b) A technician to come and re affix the warning and installation labels.

Contact Details: For further information, please contact Visionary Blinds via email on info@visionaryblinds.com.au or by phone on 0435 947 106.
