

Product Safety Recall

ETHANOL

BURNERS

**SOLD AT EARTH AND STONE OUTDOOR CENTRES
24 Dec 14 to 4 Nov 15**

Defect: The product can be refuelled when flames are still present, or when it is still hot from use. The product is also lightweight and easily knocked over.

Hazard: This can lead to serious burn injuries and damage to the surrounding property.

What to do: Consumers should cease using the ethanol burner and return it to their nearest Earth and Stone Outdoor Centre (Jandakot or Baldivis WA) for a full refund.
