

# Product Safety Recall

Saxon Dining Chair

Salvage Dining Chair

Product Description: Early Settler is recalling its Saxon and Salvage chairs that were sold in its stores from April 19, 2014 to January 20, 2016.

Hazard: The tapering of the inside bottom of the chair legs may lead to an entrapment or laceration hazard.

Action: Early Settler will supply free plug insert kits to customers and these insert plugs will need to be inserted into the inside legs of the Saxon and Salvage chairs. The chairs should only be used once the insert plugs have been properly fitted.

Please contact Early Settler via **email** [info@esrgroup.com.au](mailto:info@esrgroup.com.au) or via **phone** on (03) 9767 77 00 with your proof of purchase to request your free plug insert kits.
