

Product Safety Recall

Electrical Safety Recall

Comsol Pty Ltd

Keji USB dual port wall charger 2.4A

Sold at Officeworks

Identification:

Dual port USB type A wall charger

Affected model numbers:

- WCDE24BK (black)
- WCDE24WH (white)

Sold at Officeworks stores between 10 September 2018 and 22 December 2023

Why the product is recalled.

Hazard:

The wall plug can break off the main body of the charger exposing the internal wires. There is a risk of serious injury or death from an electric shock or electrocution.

Action required:

Consumers should stop using the charger immediately.

Consumers should return the charger to their nearest Officeworks store to receive a refund.

For further information

For more information, consumers can visit an Officeworks store or contact Officeworks on 1300 633 423 or www.officeworks.com.au
