

Product Safety Recall

Kids Tricycle with Parent Handle

Sold by Aussie Baby
between 15 May 2019 and 25 March 2021

Defect These products have some of the features of a stroller, but are unsafe for use as a stroller to transport children as they do not have the safety features required under the mandatory standard 'Consumer Product Safety Standard for Prams and Strollers (Consumer Protection Notice No 8 of 2007, as amended on 14 February 2019)'.

The product is missing brakes, tethers and the required labelling.

Hazard If used as a stroller to transport children, the products may cause injury to a child if the product rolls in an uncontrolled manner or if the child falls out of the product.

What to do Consumers should not use the product as a stroller to transport children. Consumers should return the product to the place of purchase for a refund or replacement.
