

Product Safety Recall

STUFFED REINDEER PLUSH TOY

Approx size: 15cm (w) x 16.5cm (h) x 7cm (d)

Given away in November and December 2018
at select AMP Capital managed properties.

(For a list of AMP Capital managed properties,
visit www.ampcapital.com/au/product-recall)

Product defect

The reindeer's nose may detach from the plush toy.

Product hazard

The nose is a small part that, if it became detached, could become a choking hazard.

What to do

Consumers who have received this product from an AMP Capital managed property should return the product to the concierge desk or centre management of any AMP Capital managed property.
