

## MEDICINE RECALL

### **NIVEA SUN PROTECT & MOISTURE SPF50+ ROLL ON 65ml**

**Batch number 12669940BN, Expiry date: JUNE 2024**

**AUST L 286352**

Beiersdorf Australia Limited, following consultation with the Therapeutic Goods Administration, is recalling batch 12669940BN of NIVEA Sun Protect & Moisture SPF50+ Roll On 65ml (which is a sunscreen designed to protect the skin against UV) because benzene levels above the allowable amount have been detected. No other batches of NIVEA Sun Protect & Moisture SPF50+ Roll On 65ml are affected by this recall.

If you have a bottle of NIVEA Sun Protect & Moisture SPF50+ Roll On 65ml from batch 12669940BN, do not use it. Dispose the product and contact our customer service line to arrange a credit for your purchase.

While the levels of benzene are above those allowable under Australian standards the health risk to consumers who may have used this product is considered extremely low. TGA guidelines for this matter are set to ensure that an individuals' excess cancer risk does not exceed 1 in 100,000 if that individual used the maximum recommended amount of the product every day for 70 years.

Beiersdorf Australia Limited sincerely regrets any inconvenience to their customers.
