

# Product Safety Recall

## UPPAbaby ALL-TERRAIN RIDGE JOGGING STROLLERS

Model 0401

MANUFACTURED BETWEEN OCTOBER 2021 - AUGUST 2022

This recall involves the UPPAbaby RIDGE Disc brakes sold in Australia from October 2021.

**Problem:** Holes in the brake disc are large enough to catch the finger of a child.

**Hazard:** A child not seated in the stroller can insert their finger in the brake disc while the stroller is in use which can cause an amputation injury.

**What should consumers do:** Consumers who own a RIDGE (Model 0401) manufactured between October 2021 and August 2022 will be supplied with a replacement set of discs together with comprehensive instructions on how to change the disc. The process is very quick and easy, the Coolkidz support team will provide any assistance required. Contact via email at [support@coolkidz.com.au](mailto:support@coolkidz.com.au) for more information.
