

Product Safety Recall

Wild Country Superlight Rocks No 1-6 and Wild Country Superlight Rocks Set 1-6

Rock climbing chocks primarily used to place in cracks for protection. Sold between January 2018 and February 2023 at various rock climbing supply outlets. Batch Numbers: 01A1117, 01A1217, 01A1219, 03A1219 and 02A0221. Batch numbers are printed on the plastic cover close to the cable loop on the end of the chock.

Defect: When these chocks are used in a seaside or humid environment with high concentrations of salt in the air corrosion may occur and the chock may fail.

Hazard: If a chock fails it could cause a dangerous fall which could lead to death or serious injury.

What to do: Customers should return the product to the place of purchase for refund or replacement.

Contact details: For more information see <https://www.climbinganchors.com.au/blog/news-announcements/wild-country-superlight-rocks-recall/> or contact Climbing Anchors Pty Ltd on info@climbinganchors.com or by phone on 1300 421 585.
