USE BY DATE:  
2 July 2019

The recalled products have been available through Coles, Woolworths, IGA and other retailers (including food service venues) across Victoria, as well as some retailers and food service outlets in Southern NSW including the Murray, Riverina and Western Districts of NSW.

**Problem:** Lactalis Australia believes the above products may have microbial contamination.

**Food Safety Hazard:** Microbial contamination may cause illness if consumed. Anyone concerned about their health should seek medical advice.

**What to do:** Consumers with affected product should return it to the place of purchase for a full refund.

**Contact details:** We encourage any consumers with questions about the recall to get in touch with our consumer service team on 1800 676 961.
