**Defect:** When used incorrectly, the tapering of the inside bottom of a chair leg may lead to an entrapment or laceration hazard.

**Hazard:** Entrapment or laceration hazard.

## What should consumers do?

Stop using the chairs and put them away at a safe place. Email [recalls@newaim.com.au](mailto:recalls@newaim.com.au) to arrange a plug insert kit with instructions. Insert these plugs into the legs of the chairs correctly to eliminate safety risk.

**Contact Details:** For more information please contact:
